Member Soderlund stated that he knew of a 1082 Pensioner who was planning on marrying a widow of a 1082 Pensioner and that they were concerned about the benefits. Member and Secretary to the Board Karen Willis told the Board that

she had met with these individuals and explained to them that the widow would lose her City paid retiree health benefits should she remarry and that the Pensioner would not be able to add her to his City paid retiree health. Member Soderlund stated that both the Pensioner and the widow of the Pensioner understood that the widow would have to give up her medical benefits if they wed as this benefit is not transferable.

Member and Secretary to the Board Willis also mentioned that the recent widow of a firefighter will not be receiving City paid retiree health benefits as the firefighter was not retired from the City at the time of his death. The benefits for the widow are being provided through a state program under a service related death which are similar to a full pension benefit and retiree health benefit.

Member Follrath acknowledged the death of Phillip Bonadona (Retired Police Sergeant) and requested a condolence letter be sent to his widow.

**8. ADJOURNMENT:**

There being no further business to come before the board, the meeting was adjourned at 4:39 p.m.

Respectfully submitted,

Karen Willis, Human Resources Director  
and Secretary to the Pension Board
